Horizon Community Training Newsletter

Issue 2

Horizon IS Community

Horizon Community Training has come through the last 18 months due to the selfless dedication of its team and is now full steam ahead with learners starting their courses in September. Exciting times indeed.

During this trying time HORIZON has had the support of some very kind people. There is a long list of people to thank and they are acknowledged on the HORIZON website as "Friends of Horizon".

All through the year, whenever possible, HORIZON has opened its doors and invited young people to free 'taster days' to discover what HORIZON is all about. This is remarkable considering HORIZON was operating without any funding, but could not just sit back and watch future learners do nothing during the time of lock downs and restrictions.

These free days were so successful that they helped some young people into employment and introduced them to our strategic partners who have given them valuable work experience opportunities.

Without doubt HORIZON is becoming a dynamic and exciting centre for young people. It provides a vital source of support and encouragement for young adults and is making links in the wider community, bringing together people such as Dandelions and The Radical Church, groups that are doing great things in and around Great Yarmouth.

Anyone who wants to become a part of this new endeavour can contact Mark and his team on 01493 717767 or visit the HORIZON website at www.horizoncommunitytraining.co.uk

A graphic for the Horizon Community Training newsletter. It features the logo 'horizon COMMUNITY TRAINING' at the top left. A blue speech bubble says 'Great things are happening at Horizon Sept 2021'. The address '11 Hall Quay, Great Yarmouth, Norfolk, NR30 1HP' is listed next to a small building photo. The website 'www.horizoncommunitytraining.co.uk' is at the bottom right. A circular image shows a whiteboard with 'lets love our community' written on it. A Facebook QR code is accompanied by the text 'Remember to keep following us on Facebook'. A section titled 'Horizon CIC' states 'Horizon is now a Community Interest Company (CIC) This is extremely positive news and a credit to everyone that has made Horizon a place that supports those most in need.' Another section says 'The Horizon Community is growing The Radical Church, reaching out to help the most needy in Great Yarmouth'. Below that, it lists 'Dandelions, a free self care course accessible to women who work, who are carers or those who may fall through the gaps in the statutory services' and 'MJR Security Service a strategic partner offering employment possibilities through high quality training for anyone wishing to obtain specific licence qualifications'. A 'Who are the Horizon Heroes?' section invites readers to 'Read about them in the newsletter. Collect a copy from our centre or read it on our website.' At the bottom, a blue banner reads 'We aim to make a difference that lasts a lifetime' next to a 'Scan me!' QR code.

Horizon Community Training Has been officially recognised as a Community Interest Company (CIC)

Horizon is now a Community Interest Company (CIC) – a business whose main objective is to be of benefit to the wider society and, as such, any surplus generated from its activities is reinvested for that purpose.

This differs from ordinary companies, where profits are for the benefit of shareholders and owners. In a nutshell it means Horizon is here for those who need us and not to make a profit for anyone.

Support Local

The Caister Tyre Centre is a great supporter of Horizon, located on the Ormesby Road in Caister with great value and first-class customer service. We are proud to be associated with Caister Tyres as they offer excellent work experience opportunities to our learners who are interested in working in the automotive industry.

How do you think Horizon has helped you? ✓

"I think Horizon has given me a lot more confidence in myself and the outside world. It's also given me the courage to be able to do work experience/apply for a job which I would had never done before I came to Horizon. Everyone here understands you and what you're going through, they always listen and help you out with anything."

Horizone

Every edition we will publish the thoughts and experiences of our learners. In this edition one of our learners reflects on her experiences at JESUSFEST 2021.

"We went to the Fest on Friday, Saturday and Sunday. We would drive up there every day the car journeys were so funny. I ran the nail bar which went really well. Someone even asked me if I can French plait their hair and when I got some more people to ask so I thought I would do French plaits as well as nails, so it went even better still! I really enjoyed it, doing nails and plaits.

At the start of the Fest, I thought I would not be able to cope but throughout the weekend I got more confident each day, everyone was so lovely and made me feel comfortable so that was great. It was a great experience and I would definitely do it again and maybe I'd even stay up there next time."

We were so proud of this learner who showed great initiative and decision making

The HORIZON Community

We are a community of groups that share common principles and work towards similar aims. Essentially, that is to improve the lives of people through support, education and encouragement. We may have different philosophies but we have common goals. We do what we can to help each other to achieve those goals, sharing knowledge and resources whenever possible

Dandelions

We support women who work, who are carers or those who may fall through the gaps in services.

Wednesday evening at the Horizon Training Centre from 6.00pm

A free 8-week course of sessions in Great Yarmouth and the surrounding areas.

Tel: 07440 612497 email: dandelionsgy@gmail.com

Radical Church

A community of believers that simply love Jesus. We offer support to the least fortunate in the community of Great Yarmouth and Norwich.

Our Radical Hope Bus goes out into the community offering meals and support where it is needed.

We run a food bank at Horizon Training Centre every Thursday from 11.00am until 2.00pm and hold a Prayer Group every Friday evening at Horizon Training Centre from 6.30pm until 9.30pm

MJR Security

MJR Security provides a wide range of security services and high-quality training

for security personnel who wish to develop their skills and competencies and those who require specific licence qualifications for employment in the security industry.

email: info@mjrsecurity.co.uk

The Horizon Training Centre continues to develop, offering a wide range of well-equipped and versatile learning environments and classrooms. To learn more about Horizon follow us on Facebook and visit our website.

Horizon is now taking applications for January 2022. Book an appointment for an Open Day at info@horizoncommunitytraining.co.uk
